PARENTS/GUARDIANS DUTY ROSTER 2009/2010

Please Note:

A requirement of registration is that parents/guardians agree to participate in a roster system to help out during competition as an official at an event or in the canteen. Anyone can help in some way: by holding a tape, raking the sandpit, writing place tickets or taking around refreshments.

Athlete's eligibility for Centre & Team Awards is dependent on parents completing at least SIX (6) weeks of duty. An Officials Card will be allocated to each family and needs to be signed by the Chief at the event at which you are assisting so that records can be maintained.
